SOUTH DAKOTA EDUCATOR VISITS NODAWAY SCHOOLS

Willis E. Johnson, president of the Agriculture College at Brookings, S. D., arrived in Maryville today to visit a number of the vitalized agriculture schools in this county. In company with County Superintendent Bert Cooper he left early this morning on this inspection trip. Mr. Johnson will attend the meeting of the Chamber of Commerce at luncheon this evening at the Balnum hotel.

The Park college Glee club of Parkville will also be guests of the Chamber of Commerce at their luncheon this evening.

DR. COX HOLDS PRE-EASTER SERVICE AT FIRST M. E. CHURCH

Dr. Gilbert S. Cox, pastor of the First Methodist church will hold a special series of sermons this week upon the general theme "The Cross."

The subject for tonight will be "The Repulsion of the Cross" and tomorrow night "The Compulsion of the Cross" The service this week is the second of a two weeks pre-Easter campaign. Last week the general topic was "Christian Service" and good crowds were present nightly.

Special services were arranged for Palm Sunday yesterday and they will culminate in the Easter service next Sunday which will include the sermon "The Resurrection" given at the morning hour by Dr. Cox and the cantata "Bethany" given at night by the choir.

Tonight the Park college glee club will give two numbers at the church service.

COLLEGE STUDENTS TO HIGH CLASS PLAY

The cast of the "First Lady of the Land" to be given tomorrow night at the State Teachers college will hold a full dress rehearsal of the play at the college this afternoon at the close of studies. In order to have abundance of time, the members are holding an indoor picnic supper at the college to be in immediate readiness for the practice following.

Tonight will be the first full dress rehearsal with orchestra which cast has held. The costumes ordered from Theodore Lieben of Kansas City arrived Saturday and they are beautiful especially those to be used in portraying the characters at Madison's first state reception and dinner. The furniture for the stage has been loaned the students by the Maryville Furniture company. The newly built stage of the college will be used for the first time at this presentation. The Philomathean literary society is giving the play in order to earn funds to pay for the support of a French war orphan.

The advance ticket sale has been remarkable good. Every one is invited to attend.

Mrs. J. E. Lovell of the Millinery department of the Yehle dry goods Co. spent Sunday at her home at Bedford, Ia.

Mrs. G. B. Holmes went to St. Joseph Sunday morning for a short visit with her son, Dan Holmes and family.

Miss Helen Hudson spent the week end at Bedford, Ia., with her parents, Mr. and Mrs. Charles Nelson.

Misses Verna and Martha Kennedy spent the week end at Wilcox the guests of Mrs. C. J. Duncan.

MISSOURI LAND VALUES INCREASING

$40 PER ACRE HIGHER NOW THAN FIVE YEARS AGO.

AVERAGE PER ACRE $104

Improved Land is $20 Higher Than March a Year Ago—Unimproved Average $79

Land values during the past year have mounted up faster than during any other year in Missouri's history, until today they are fully $40 per acre higher than five years ago, so declares the joint annual report on farm land values by E. A. Logan and Jewell Mayes of the United States Department of Agriculture and the State Board of Agriculture. The average value of land with improvements, including farm buildings, etc., is $104, and without improvements is $79 per acre. These prices are at least $20 per acre higher than March a year ago.

Lands which can be cropped and cultivated have also risen in value until even poor plow lands are quoted at $60 per acre, good lands $110, and all plow lands $87. The better lands have risen in value more than those not so productive, with an average increase for all in the state around $15.

In portions of Missouri there is yet new and undeveloped land which can be bought as low as $4.00 per acre, but at a state average of $36 per acre with the cost of clearing and making ready for plow or pasture and added expense in most cases. These latter lands are located mostly in the southern section of the state, of course. Lands capable of speedy development for good grazing and dairying farms are quoted mainly from 15 to 30 dollars per acre. While there a few small tracts in the northern portion, they are usually under fence and used for pasturage, although not having been prepared for cultivation.

A larger number of land sales were consummated during the past year than ever before in this state. Values thought to be speculative early in 1919 have been maintained, and sales now being made are equal to or even slightly above those early last year. Deeds for sales during 1919 have nearly all been completed, and the movement is now holding up, due somewhat to the unstable market for farm products and live stock.

CHURCH SERVICES AND CONCERT ARRANGE TIME FOR TONIGHT.

The services at both the First Methodist and First Christian churches will begin promptly at 7:45 o'clock tonight in order to allow all persons attending to be at the Park College Glee club concert on time. The concert will also begin a few minutes later so that all can be at the opening.

TORNADO'S DEATH TOLL REACHES 129

MANY TOWNS IN STORM DISTRICT NOT YET HEARD FROM.

FIRE FOLLOWS STORM

Elgin, Ill., Heaviest Sufferer—Property Loss Will Count into Millions of Dollars.

Chicago, Mar. 29—Latest reports reaching Chicago over badly crippled wires place the following as Sunday's tornado death tolls in the central west and southern states:

Chicago and nearby towns, 32

Georgia and Alabama, 80

Hart, Michigan, 1

Indiana, West Liberty, 7; Zulu 5; Geneva 3 and Monroeville 1.

Chicago, Mar. 29—Two destructive storms swept across widely separated parts of the country yesterday. One storm area involved parts of Illinois, Wisconsin, Michigan, Indiana, Ohio and Missouri. The other was in Georgia and Alabama.

In both parts of the country the toll of life was large and the damage to property runs into millions.

Reports cary this morning accounted for 140 known dead. But with many towns entirely cut off from communication it is feared that cost in human life will run into much larger figures.

Several tornadoes apparently struck within the storm areas at the same time, while wind, reaching hurricane proportions, dealt death and damage too, in other places.

Towns and villages were almost wiped out in several instances. Fire, following the collapsing of buildings, added to the destruction. In this way, it was reported, the little town of West Liberty, Ind., was nearly completely destroyed.

The storm was particularly destructive in the vicinity of Chicago. Nearly all the suburban towns west and north of the city were affected, while Elgin Wilmette, Belvidere and others were directly in the path of a tornado that cut a wide swath and killed scores.

Elgin seemed to suffer most from the storm, although Melrose Park was a close second. A path two hundred yards wide was swept through the Elgin district. Eight persons were killed there, among them worshippers in a church, crushed when the steeple collapsed. The damage to the city will exceed 4 million dollars, it is said.

At Melrose park nine were killed and four are missing. Damage to property there will run into hundreds of thousands of dollars.

The storm in the south was almost as destructive as the one in the north although it did not affect such a populous district. At La Grange, Ga., 21 persons were killed, while West Point, Ga., reported ten dead. At Agricola, Ga five more met death.

The storm was felt in Wisconsin, where a woman was killed near East Troy, and a boy drowned in the sudden rise of a stream due to the heavy rain fall.

A high wind was general over most of Missouri, being particularly severe at St. Louis, where one man was killed and several persons injured.

Don't LetCatarrh Drag You into Consumption

Avoid Its Dangerous Stage.

There is a more serious stage of Catarrh than the annoyance caused by the stopped-up air passages, and the hawking and spitting and other distasteful features.

The real danger comes from the tendency of the disease to continue its course downward until the lungs become affected, and then dreaded consumption is on your path. Your own experience has taught you that the disease cannot be cured by sprays, inhalers, jellies and other local applications.

S. S. S. has proven a most satisfactory remedy for Catarrh because it goes direct to its source, and tends to remove the germs of the disease from the blood. Get a bottle from your druggist today, and begin the only logical treatment that gives real results. For free medical advice write to Medical Director, 104 Swift Laboratory, Atlanta, Ga.

THE Standard Oil Company (Indiana) renders a vital service by giving multiplications of value to that portion of the crude oil left, after gasoline, kerosene, and lubricating oils have been extracted, through the production of innumerable by-products, each supplying a definite need.

Thus have been developed products such as Parowax, which serve such useful purposes as a protective coating for cheese, meats, and sausages; for match ends; for water-proofing milk bottle caps, ice cream pails, and paper drinking cups; and for sealing preserved vegetables, fruits and jellies against bacteria, ferments and mold.

These are but a few of the uses of one of the more than 2000 products manufactured by the Standard Oil Company (Indiana), covering needful commodities from asphalt to candles.

So vast a program could not be carried out except by a highly specialized organization, developed to maintain numerous contacts with the world of production on one hand, and with the consuming public on the other.

It was the need for such a specialized organization which led to the great development of the Standard Oil Company (Indiana). No single function of this great organization has come into being without a definite call to service.

Today the Standard Oil Company (Indiana) is big only because the need of its service is great; because the ways in which it is able to serve are continually multiplying as the complexities of modern industrial life increase.

DON'T FUSS WITH MUSTARD PLASTERS!

Musterole Works Without the Blister—Easier, Quicker

There's no sense in mixing a mess of mustard, flour and water when you can easily relieve pain, soreness or illness with a little clean, white Musterole.

Musterole is made of pure oil of mustard and other helpful ingredients, combined in the form of the present white ointment. It takes the place of mustard plasters and will not blister.

Musterole usually gives prompt relief from sore throat, bronchitis, tonsilitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia). 30c and 60c jars; hospital size $2.50.

STALLION AND JACK FOR SALE.

As I have quit farming I have for sale a Registered Black Percheron Stallion, Tableau, No. 88907, foaled October 20, 1911, weight 1800 pounds, sired by Phenix 42215. This stallion is a good breeder, and in fine shape for service.

Also one 6-year-old Jack sired by Major Domo, owned by G. M. Scott. This is a large boned jack with white points and a good breeder.

I have good colts from both Jack and Stallion, which can be seen at any time.

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. Millions of boxes are sold annually at 10c and 25c. Take one or two nightly and note the pleasing results.

MISSOURI FOLKS TESTIFY

Tina, Mo.:—"I think that there are no medicines on the market to equal Dr. Pierce's. After our baby girl came my wife was in a weakened condition and could not regain her strength. She took seven bottles of Dr. Pierce's Favorite Prescription and got well and strong. She says that she just could not get along without it.

"I have used the 'Pleasant Pellets' for constipation for years—am never without them.

"I always recommend Dr. Pierce's remedies."—WM. E. REYNOLDS, Route 1.

St. Joseph, Mo.:—"I have taken two vials of Dr. Pierce's Pleasant Pellets and will say that they are wonderful. I have taken other kinds of pills but must say that Dr. Pierce's Pleasant Pellets are the finest medicine I have ever taken for constipation. I feel like a different woman since I have taken them and shall recommend them to all that suffer from constipation. Also my husband says that he never saw a medicine like them; they have done him lots of good."—MRS. GRACE KENNARD, 1511 N. 12th St.

Help for Married Women

Hannibal, Mo.:—"In my early married life when in need of a tonic I found Dr. Pierce's Favorite Prescription to be just the medicine for my case. I am glad to add my testimony to the thousands of others who have been helped by this best of women's medicines."—MRS. MATTIE THOMPSON, 423 S. Eighth St.

Oh! Such Pain

Oh! Such Pain!—dizzy—dragged-down? With dull headache, backache—racking with pain here or there—poor woman, she's one of many. Usually she who feels those dragging-down or dizzy symptoms, and other pains caused by womanly disease, can be cured by Dr. Pierce's Favorite Prescription. It cures the cause of these pains. Faded, jaded, tired, overworked, weak, nervous, delicate women are helped to strength and health by Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well.
